

# tourist drive 16

## goulburn to sutton forest via bundanoon

Length: approximately 75km

Start your journey after visiting the Goulburn Visitor Information Centre and finding out from the friendly staff what there is to see and do in Goulburn. Whilst here you will find extensive information on the many attractions, galleries, eateries, antique shops and specialty stores available in historic Goulburn.

As you travel the 29kms to the Highlands Way turn off, stop in historic Marulan, the only town in the world to be situated on the 150 degree east meridian. Here you are in the exact middle of the Eastern Standard Time Zone, the only town in the

southern hemisphere where the sun rises at 6am and sets at 6pm precisely every equinox. Stop in at one of the cafes or the historic Terminus Hotel, or shop for prized antiques or gifts for that someone special in the stores along George Street.

From Marulan continue onto the highway, where after some 3.3km take a right turn onto Tourist Drive 16 – The Highlands Way towards Bundanoon. The 9.9km journey takes in the quaint villages of Tallong, Wingello and Penrose, which may present the opportunity to stop and buy apples and fruit in season as you pass through.

At Bundanoon (the name the first inhabitants gave to the region to describe the deep and spectacular gullies that surround the township) you are presented with an opportunity to stretch the legs at Australia's first bottled water free town. A number of antique, art and craft stores quench your appetite for shopping and a health spa is available for complete pampering, rest and relaxation. For visitors passing through at dusk or evening, visit the Glow Worm Glen and see a natural spectacular of glowing larvae. The best time to see the glow worms is December to February. Bundanoon is also a great location for bushwalking, camping and picnicking as it stands at the gateway to the Morton National Park.

From Bundanoon travel 7.2km to Exeter, a small town that is likened to a little England and is home to horse studs and varying architectural styles from weatherboard to modern homes, 100 year old churches and vast estate mansions. Antique lovers will find a small shop to peruse. Spring and Autumn present an opportunity to visit some of the manicured estate gardens. The general store & café is a wonderful place to search for gifts, local and regional produce and to enjoy a well-earned coffee.

From Sutton Forest you can choose to continue northeast along the Illawarra Highway towards Moss Vale, or travel back to the Hume Highway where you can choose to travel north towards Sydney or south back to Goulburn.
