Why choose Goulburn?

As Australia's first inland city, Goulburn is a regional centre rich in heritage and natural beauty. Goulburn and the surrounding towns and villages bring together all the benefits of city services with country lifestyle and hospitality.

Access

Goulburn is located just one hour's drive north-east of the nation's capital city Canberra, and centrally positioned along the Sydney to Melbourne corridor. Regular train and bus services operate daily, while the Hume Highway provides easy access from Sydney domestic and international air terminals.

Charming nearby towns and villages include Towrang, Marulan and Tallong to the north and Bungonia, Lake Bathurst, Tarago and Windellama to the south. The Blue Mountains are easily reached within two hours via the Tablelands Way, and the South Coast is just over one and a half hour's drive.

Perfect positioning, a unique location and friendly atmosphere are just a few of the many reasons why visitors are attracted to Goulburn, and why organisers choose to hold their important conferences, special events, weddings and other functions in our beautiful city and surrounding communities.

Facilities

Goulburn offers a wide variety of modern conference and event facilities to cater for every requirement. There is an array of venues dotted throughout the city designed to suit events of all tastes and budgets, providing the latest technical facilities, contemporary catering, ample free parking, professional and personalised service.

Accommodation

There are many styles of accommodation options available in Goulburn, including quality motels, B&BS, self-contained houses, farm stays and caravan parks. There is something to suit all needs and budgets, and many of the accommodation properties are located within walking distance of Goulburn's CBD.

Wining and Dining

Ranging from casual cafés to formal restaurants, Goulburn dining offers fresh, quality local produce and many varied cuisines. Enjoy a modern dining experience in pleasant surroundings at one of the many cafés, restaurants, pubs or clubs, and treat yourself to an impressive award-winning cool climate wine from one of the local vineyards.

Leisure

An assortment of shopping and service facilities can be found in the central business district of Goulburn, along with friendly service and plenty of free parking. Live theatre, cinemas, art galleries, museums, beautiful parks and many other attractions will engage visitors, as well as many leisure options including golf, lawn bowls, swimming and cycling, just to name a few!

Weddings, Reunions & other Special Events

Goulburn is a popular central location for weddings with numerous ceremony and reception venues and picturesque photo shoot locations. Staff at the Goulburn Visitor Information Centre can recommend local specialists for all other aspects of your wedding including celebrants, hair and makeup stylists, photographers and caterers. (See also page 45 for details on Hire Services.)

Goulburn and Surrounds also boasts many beautiful parks that provide a great variety of outdoor activities and are ideal settings for reunions, family gatherings or other get-togethers.
