

A romantic wedding scene featuring a bride and groom kissing. The bride is wearing a white, sleeveless, form-fitting gown with a long train. The groom is wearing a light-colored blazer and dark trousers. They are standing on a grassy area next to a body of water. In the background, there is a large, rustic wooden archway decorated with a massive bouquet of flowers, including roses and dried grasses. The sky is overcast.

BEACHLESS BEAUTY

Beachless Beauty was created in May 2012. After completing beauty school in 2006, it's always been a dream of salon owner, Bec, to own her own salon.

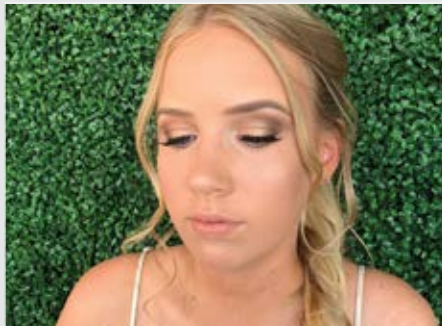

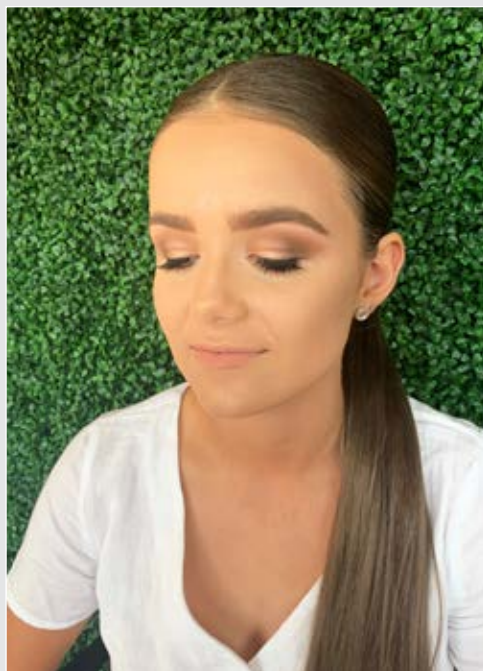

When Bec first started, she rented a few rooms from a lovely little hair salon, Number 23, in Goulburn. After growing a beautiful clientele, that Bec still calls friends, she expanded to where they are now at 358 Auburn Street.

Make-up for weddings should be fun and care-free for brides and grooms, so Beachless Beauty offers travelling to you out of town, at your hotel room or

even in the comfort of your own home, as well as in-salon make-up. They offer many other treatment options including: manicures, pedicures, eyelash tinting/lifting, extensions, spray tans and facials.

Trained in all sorts of make-up style, from smokey to natural and blush contouring, they take pride in what they do and make sure you are 100% happy with your make-up.

Please call for a quote from the lovely ladies, and they look forward to making your day stress-free, happy and fun!

SHE FOLLOWS FLORAL DESIGN

Dani's creative spark was ignited when she found flowers, or much rather, came back to flowers. As a young girl she would draw, paint and even pick flowers from neighbours' gardens and sell them back to them – the sincerest form of flattery.

Dani gained freelancing work with an incredible florist who specialises in weddings, then, taking her passion to the next level, Dani was accepted into the School of Floristry - Pearsons, where Dani learned valuable skills in everything flowers, business and big city skills. After studying and gaining

employment with Pearsons as a florist, Dani knew her creativity would be put to greater use in a regional setting. A love for her humble country community, family and friends, enticed her back to Goulburn where 'She Follows Floral Design' was created.

Dani is committed to providing floral arrangements for weddings, events and all memorable occasions. If you want a florist you can trust, and someone who you can have fun with along the way, get in touch with Dani today to help make your floral dream a reality!

IT'S A BEAUTIFUL LIFE PHOTOGRAPHY

BY RACHAEL CRAMP

Rachael Cramp is a Wedding Photographer based in Goulburn. Rachael loves living on the land and has a beautiful little farm, in which she has some spectacular views and locations at her door step.

Rachael's a lover of all things family, friends, food, love and just adores weddings! Years ago, she fell in love with the idea that a single image can hold such an amazing story and still believes this to be true. It's a 'how they met, where they got married and who

was there to celebrate, a love that lasts forever', kind of story she's talking about.

Rachael wants to be able to watch families and friends create beautiful memories together, then deliver a collection of photographs that capture the real joy, celebration and delight using natural light and motion.

To capture the most beautiful moments on your wedding day, and give you memories that last a lifetime, would be her honour.

MADI FITZGERALD PHOTOGRAPHY

Madi's the one to capture adventurous, wild couples, brides obsessed with wild flowers and the outdoors; sunsets on top of rocks surrounded by trees.

Madi loves detail; the sparkle in a lover's eye, the tear drop of happiness. She loves the crowds of friends and families, the simple touch of a hand, and a sweet kiss on the nose. Madi's all about the way someone looks at another, laughing till you cry and holding onto every moment you're given and she wants to capture this for you to have forever.

A candid shot is what she waits for, the moments others miss or that go unnoticed. If you're a couple that waits for sunsets, or nature lovers who are daring and love to have fun – Madi's style's for you.

If it's a wedding, a lover's session, an engagement or elopement, all she wants from your time is to get to know each other and provide images that you will cherish forever.

So share your moments with her and let her tell your story.

With a gravel drive and soaring specimen trees, Riversdale offers an ideal, romantic backdrop for that special entrance, wedding location and capturing your memories in a setting of historical elegance. There are many potential settings in the garden, from sweeping lawns to beneath over 100 year old trees, or against heritage stone and brick buildings

for photographs and beautiful vistas. Riversdale offers its exclusive special wedding ceremony service for \$600 (plus GST), with all the proceeds going towards the maintenance of this unique, National Trust of Australia (NSW) owned property.

Due to the specialised, heritage nature of the property we are unfortunately not able to conduct receptions on site. Normal opening hours for Riversdale are Monday, Tuesday and Thursday 10am to 2pm and every third Sunday, 10am to 2pm. Weddings on weekdays and weekends via bookings.

Goulburn Australia is a wedding planner's dream, with magnificent locations for both your ceremony and reception, in the perfect, unique setting for breathtaking photography.

As Australia's first inland City, Goulburn is steeped in history and heritage. Today much of the City's rich heritage remains, with many original structures restored to their former splendour. A grand Italianate courthouse with beautiful gardens, a magnificent Gothic Revival cathedral, or the only green sandstone cathedral in the world, to name but a few.

If outdoors is more your style, then our beautifully manicured, English-styled parks and gardens are the perfect backdrop to a spring or autumn ceremony.

Hold your fairy-tale styled ceremony in the garden of an historic homestead, soak in the views from a local vineyard, or even tie the knot in front of the Historic Waterworks by the river, underneath the willow trees.

Goulburn Australia – an eventful destination.
